Rachel Jourdan Haye

Creative Marketing Manager, VisionTek Products, LLC (May 2013 to Current)

- Part of development team that created the CryoVenom R9 290 graphics card, winner of the 2014 American Business Awards' Gold Stevie® in the "New Product or Service of the Year: Computer Hardware" category. Created all graphic elements for the card, including packaging, product photography, and promotional materials.
- Managed the design and maintenance of a new eCommerce website, generating \$50,000 additional revenue per year starting in 2014.
- Photographed product for website, sales collateral, retail catalogs, and advertising.
- Designed packaging and worked with production line to streamline packaging for numerous products to save time during packout.
- Evaluated new product, identifying target market and placement in VisionTek's product portfolio, as a member of the Product Development Team.
- Maintained social media presence and wrote press releases as needed.
- Designed sales literature, images for social media, and web-based promotional banners.
- Built the first corporate branding guide to ensure proper brand representation.
- Wrote and directed video content, serving as the on-camera personality, to showcase new product.

Blogger, Suburban Style Challenge (Aug 2011 to Current)

- Designed SSC brand, including logo, business cards, and social media imagery.
- Authored original, style-focused content.
- Developed and nurtured marketing relationships with various fashion brands for product reviews and event coverage.
- Photographed outfits, events, and product to present.
- Collaborated with photographers to create lookbooks showcasing outfits.
- Produced original DIY projects with step-by-step instructions and photographs.

Franchise Marketing Manager, DK1 Ventures (May 2006 to May 2013)

- Was the driving force behind a complete rebrand of the company in 2007.
- Created sales literature, newsletters, websites, and business cards for corporate, sales team, and DK1 Ireland.
- Rebranded the Insights trade show, maintained website, and created show signage and literature.
- Designed initial DK1 "Branded Member" logo and assisted in program development.
- Developed semi-customizable sales collateral and websites for DK1 Franchisees and managed the DK1 Marketing portal where items were available for purchase.
- Built corporate and franchisee branding guides.
- Assisted at various corporate events, including Insights, Marketing Strategy Retreats, and National Chapter Meetings.

Assistant Web Designer, Collections Etc. (June 2004 to Mar 2006)

- Took over responsibilities of Web Designer during transition (Nov 2004 to Jan 2005).
- Created and implemented an email tier system, used for email promotion scheduling.
- Managed promotional email design, internal email previews, and email deployment setup.
